Well done to Roger Heard for playing so well on a wet morning.

Also to Rodney Poolman for also beating the course. It was great to see so many people out on the course and hopefully enjoying themselves. This was one of the best supported competitions for a long time, lets keep it up. The next competition is the Seniors Open on the 6th July and then the July Medal on the 13th July. Please get your names down on the list in the starting office if you have not already done so.
